Discover quiet living in this beautifully renovated, spacious apartment located in one of the city's most sought-after neighbourhoods of Varsity. This east-facing modern residence offers an open-concept layout, filled with natural light, perfect for entertaining or relaxing. The newly updated kitchen boasts stainless steel appliances, sleek and plentiful countertops, built in water and soap dispensers, and ample storage, making it a chef's dream. The generously-sized bedrooms feature large closets, while the primary suite includes a california-closet like setup. Enjoy your morning coffee viewing the private courtyard from your bay window seating, or sip your coffee as you walk along the ravine viewing the Bow River just minutes walk away. You'll notice how quiet the building is when you visit, because of a layer of concrete between floors! Or, maybe you just want to enjoy a glass of wine while the wood burning fireplace creates a relaxing ambiance. Take advantage of the building's amenities: private underground parking, games room, bike storage, and a storage locker. Located just minutes from professional services, the University of Calgary, restaurants, shopping, parks, and public transportation, this apartment offers the perfect blend of comfort, style, and convenience. This is a 25+ Building that is well managed with strong financials, and has FREE laundry on every floor. Currently there is an exterior beautification project in progress with new windows and siding, paid and

budgeted for from the reserve fund (no special assessment levied). Condo fees include all utilities except electricity, underground parking, secure bicycle storage, common games room, and a large storage locker. Contact me (or your favourite realtor) for a private showing today!
