For more information, please click Brochure button. This stunning home, fully renovated in 2021, showcases Modern/Scandinavian interior design and is ideally situated in the serene and highly sought-after Patterson area, close to schools, parks, and all local amenities. Spanning over 2000 sqft of living space, the residence features a heated garage, the home is adhering to the highest quality standards. The open-concept living room is expansive, bathing in natural light from large windows, while the beautifully designed kitchen offers ample functionality with a generous island for cooking. The main floor includes three bedrooms and a full bathroom, while the basement boasts a sizable entertainment room, an additional bedroom, an office, a laundry room, and plentiful storage, along with a bathroom. Immediate possession is available, and the home includes numerous upgrades such as a new hot water tank (2020), flooring, kitchen appliances, windows, doors, and more all renovated or updated in 2021, along with additional improvements like new blinds (2022), a garage roof (2022), and a house roof and siding (2023), with landscaping planned for 2024.
