Lovely, updated home available in the desirable family community of Redwood Meadows. This two-story home is located on one of the largest lots in the community- has cedar and stone accents, a covered front porch and large back deck, an extended garage with attached dog-run, and huge treed backyard. The main floor opens onto a large family room and dining area next to the kitchen with stainless-steel appliances, island, pantry and breakfast nook. There is also a comfortable living room with beautiful river-rock fireplace, a convenient 2-piece bath and a large mudroom with main floor laundry. Upstairs is a large primary suite with walk-in closet and attached 4-piece ensuite with corner soaker tub. There are two more good sized bedrooms with large windows and another 4-piece bath. The basement is fully developed with a huge rec-room area that could be used so many different ways, a den that is currently being used as a guest bedroom, and another full bath. The garage has been extended by 8 feet (perfect for larger vehicles or a workshop area), and is insulated and heated. Other updates include triple-pane windows, a shed with power, outdoor furnace and air-conditioner, and hardwood flooring. Redwood Meadows has access to great schools, many playgrounds and recreational opportunities (golf, tennis, fishing, hiking, biking, hockey, x-country ski and disc-golf), and is only 25 minutes from Calgary and 8 minutes from the charming town of Bragg Creek.
