Move in ready fully developed family home. This impeccably maintained 3+1 bedroom home has an open concept main level with living room featuring a cozy gas fireplace, a fantastic kitchen with breakfast bar and a dining area with patio door to large deck and nice private backyard. Upstairs the massive bonus rooms divides the master retreat from the other 2 very generously sized bedrooms. The convenient and spacious laundry complete the upper level. The professionally finished basement level has large windows throughout and a bedroom, 3 piece bath, a giant family room and plenty of storage. The award winning community has so much to offer and too much to mention. Come explore the area and check out this wonderful home and make it yours.
